That should work. I am out of the office currently, but you have consent to sign my name to the stipulation. Simply sign my name and then note: w/consent P.B.

I can't do the order, but this is a sample from another case. However, yours will not be a stipulated order - it will accompany the stipulation and the title can be "Order Granting Plaintiff Extension of Time to File REply Brief". The remainder of the format should be the same.
